

SANTA'S MISSING ITEMS - A FERNDOWN CHRISTMAS TRAIL

INSTRUCTIONS AND ENTRY FORM

Poor Santa needs your help! He went shopping in West Moors (looking for Mrs Claus's Christmas present between you and me), but in his hurry to sneak out before Mrs Claus saw him, he put the wrong coat on. You see, Mrs Claus is very good at mending and sewing, and Santa is equally good at making holes in his clothes and pockets by stuffing too much in there (and eating too many mince pies!). Santa in his haste picked up the coat that needed the pockets mending, and now disaster has hit. All his essential possessions he needs for Christmas have fallen out in the shops around West Moors, and he needs your help to find them! You'll need to visit all the shops that Santa did, and see if you can spot the items that Santa has lost in the windows. When you've found them all and written them down on this sheet, make sure you bring it to the Ferndown Community Larder so we can pass it on to Santa. For every good young person, or adult (!) who can find the items there will be a small thank you, and, Santa has said that he is so grateful to everyone for helping him, that he will visit one lucky winner who is randomly picked to say a special thank you.

Turn over for the list of shops Santa visited, and the items he's lost. When you find one of his missing items, draw a line to the name of the shop. Then, when you've found all the items, fill out your details and come to Ferndown Community Larder (rear of Ferndown Day Centre, Library Road, Ferndown, BH22 9JP) to collect your thank you and to enter the prize draw.
